

Restricted Signs

Sec. 8-3112(c)

The following signs are not allowed, unless specifically permitted as a temporary sign as identified in Sec. 8-3112(c)(6):

- (1) Banner, pennant, streamer, flag, balloon or other inflatable object, pinwheel, rotating flood light, and similar attention-getting device.
- (2) Portable, folding and similar movable sign. Such signs include any sign that is not permanently attached to the ground or to a building or structure.
- (3) A sign erected or located on any street or public right-of-way, curb, curbstone, hydrant, lamppost, trees, barricade, temporary walk, telephone, or telegraph electric light pole, other utility pole, public fence, or on a fixture or a fire alarm or police call box except publicly erected directory and information signs.
- (4) A sign with revolving or rotating beam of light.
- (5) Flashing, running light sign, illuminated sign with moving parts, and electronically controlled sign face and message board except as follows:
 - a. A special announcement sign limited to the display of time and temperature and not exceeding 24 square feet in area is only allowed within a B-C, B-G, B-G-1, B-H, I-L and I-H zoning districts located outside any National Register Historic District.
 - b. A special announcement sign allowed under subsection (b), "Illuminated Sign" standards for certain special announcement signs of section 8-3121(B)(7)(e).
 - c. An announcement sign with copy scrolled by electronic or mechanical means and designed to change numbers, letters or images no more frequently than once in a 24-hour period. Such electronically or mechanically controlled announcement sign shall only be allowed within B-N, B-C, B-G, BG-1, B-H, I-L and I-H zoning districts located outside of any National Register Historic District. Such signage in all permitted districts shall be limited to locations which front on a street classified as a collector or higher designated roadway.
 - d. A marquee sign allowed under subsection 8-3121(B)(9).
